2. The ewe futurity nomination fee is \$35 per head. A breeder has the option to nominate their entire ewe lamb line-up for a flat-rate fee of \$350. The flat-rate fee must be paid prior to their first sale. There will be no maximum nomination restrictions placed on Futurity entries.
3. All entries in public sales into the futurity must be nominated and designated by the consigner prior to the beginning of the sale. The nomination fee will be deducted from the net sales by the event's show and sale committee.
4. Futurity nominations from a production or online sale must be paid prior to the beginning of the sale.
5. Futurity nomination fees will not be returned to consignors or breeders.

6. Each ewe lamb purchased in a public sale must conform and abide by the rules and regulations of the sale to which each is consigned. All normal entry and commission fees apply.
7. The nomination fees retained by the ADSBS will be distributed as winnings to the high point standings defined in the exhibitor rules.
8. All ewe lambs in a public sale will be paint branded with an "F" for Futurity, prior to the sale to identify their eligibility into the Futurity program. Ewes not paint branded with an "F" and thus not designated as a Futurity ewe BEFORE the start of the sale will not be accepted for enrollment into the Futurity Program.
9. ADSBS will not be held responsible for any dispute and/or disagreement between buyers and sellers.

Exhibitor Rules and Regulations

1. Exhibitors must have a current junior membership in the ADSBS. The ADSBS recognizes a junior member as a member 21 years of age as of January 1 of the fiscal year and younger. Memberships and fees can be accepted at the date of the respective shows and sales. There is no minimum age requirement. However, unless physically or mentally impaired, each exhibitor must be capable of showing their own Futurity ewe.
2. Junior members must physically show from the head of their Futurity animal to qualify for points at each show. If there are two Futurity animals in the same class, the junior must exhibit one and another junior member must exhibit the second animal. No points are awarded if the second animal is shown by an adult. If in an open show, the futurity participant or junior must be in control of the sheep's head and any individual may assist setting feet.
3. Ownership of the animal must be in the junior member's name only. Partnerships, farms, families, 4-H Clubs or FFA chapters are not acceptable. Ewe lambs must stay in the junior member's name for the entire fiscal year of the futurity to be eligible for futurity points. If a ewe lamb is transferred out of the juniors name then all futurity points are forfeited for that year on that lamb.
4. A junior member can participate by purchasing an unlimited number of futurity lambs and earning points on each. However, a junior member may only receive Futurity premiums on a maximum of two ewe lambs. Total point earned on multiple ewes cannot be combined.
5. Ewe lambs can be shown in any class, including Dorper/ White Dorper, All Other Breeds (AOB), commercial ewe and market lamb classes. The ADSBS is aware that many fairs no longer offer breed classes, this allows more youth to participate in the futurity.
6. In the event of ewe lambs that are purchased as Futurity ewes during any year, the junior member will exhibit the ewes and earn points from date of purchase until March 31.
7. Upon entry into the Futurity program, the ADSBS will issue a copy of the program rules and regulations to the member along with appropriate forms.
8. Premiums: All futurity prize money will be determined by funds available in each given futurity year. Funds will be dispersed evenly within each region. The National Champion will receive a bonus based on funds available.
