DORPER
Ninth Edition
Journal

ADSBS will publish the 9th edition of our biennial yearbook, **The American Dorper Journal**, this Winter. This popular publication is distributed at every public event where we erect the ADSBS promotional display, as well as other places. In addition, the ADSBS Office mails a copy to anyone who inquires about our breeds, and to new members.

Promote your flock with an ad in the **American Dorper Journal**, with its targeted audience and distribution of 4,500 copies over two years! Start preparing your ad copy, reserve your ad space by **October 15, 2024** and your finished ad and payment must be received by December 1, 2024. We also encourage you to contact commercial suppliers you do business with, and ask them to advertise as well. The 9th edition of the **American Dorper Journal** will be unveiled at the 2025 Fort Worth Stock Show, in January.

Advertisers that purchase a full page ad or larger may submit a "Breeder Spotlight" with photos. There are also other opportunities to highlight Dorper and White Dorper sheep through member submissions of articles, stories and testimonials of the breeds successes in the U.S. sheep and lamb industry. Members are also invited to submit high quality digital photos that highlight the adaptability of Dorpers and White Dorpers in their operations. ADSBS reserves the right to select for editorial content. All submissions can be emailed to Karla at karla@dorpersheep.org or Ronda at office@dorpersheep.org.

WELCOME

Welcome to the 2024 National Show & Sale. Our theme this year is Stay Focused on '24. The livestock market is fairly volatile, but we know that by staying focused, staying strong and staying ambitious, the American Dorper Sheep Breeders' Society will be poised to continue growing in the next few years.

More than 450 Dorpers and White Dorpers will cross the auction ring on Saturday., and we are confident that you will find the perfect ewe or ram to fit into your breeding program or show string.

If you are unable to make it to Duncan, be sure to log on to Taylor Fort to view the show and watch Mr. Terry Burks and Dr. Bryan Bernhard sort through the sheep. This live stream will show off the stock and give you ample time to plan your sale day.

We are excited to have Willoughby Livestock Sales with us this year to help streamline the auction. Be sure you log into their site to get your bidder's number and create an account to make bidding simple on Saturday. If you are on site, stop by the bidder's registration table on Friday from 5:00 pm to 7:00 pm or Saturday morning.

In addition to the open show and sale, we will have 127 youth entries vying for Champion and Reserve Champion awards. There also will be a youth showmanship competition, and we have added a skill-a-thon, sales pitch, and a judging contest. There will be prizes for 1st through 3rd in each competition as well as a high-point buckle for the individual in each of the age divisions.

Come out and support the youth and your fellow breeders. We hope you have a great time and look forward to watching your new livestock grow your herd.

Respectfully,

Karla Blackstock
Executive Director

What is the Futurity Ewe Program?

ADSBS members pay a fee to nominate ewe lambs that are sold through public auction. When a Junior Member purchases a nominated ewe lamb from a public auction, they can earn points from any show where they exhibit the ewe. Points are submitted after a show to the ADSBS National Office. All the nomination fees are pooled together and paid out to participants based on their regional and national standings from points earned through showing the ewe lamb from April 2023 to March 2024. A Junior Member may have an unlimited number of nominated ewe lambs but may only earn awards on the top two. Full program details and rules can be found at dorpersheep.org/futurity-program/

GENERAL INFORMATION

Location: Stephens County Fair and Expo Center, 2002 S 13th St, Duncan, OK 73533

Accommodations: Duncan Convention & Visitors Bureau maintains a website www.visitduncan.org for lodging information.

Airport: Duncan is located 65 miles from the Will Rogers World Airport in Oklahoma City, OK which is served by most major airlines.

Contact Information: Sale is managed by the American Dorper Sheep Breeders' Society. Karla@dorpersheep.org or [dorpersheep.org facebook.com/dorper-revolution](https://www.facebook.com/dorpersheep).

Online Viewing of Shows & Sales: The show will be live streamed by Taylor Fort and may be viewed at www.taylorfort.com/live - You can log onto the site and watch for free. After the show ends the show will be archived and may be accessed on Taylor Fort's website.

The sale will be live streamed on Wlivestock.com - You will need to set up an account on the site to view the live stream. You can register to purchase animals during the sale

Sale Order: The show held on April 19, 2024 will determine the sale order.

Consignor Checks: As a consignor to the sale, you agree to allow the ADSBS up to 3 weeks to turn around checks. By agreeing to these terms, the ADSBS will be in compliance with the Packers & Stockyards Act.

Registration Papers: All sheep in the sale have registration papers that will be transferred to purchasers at consignor's expense. Purchasers will receive their sheep's registration papers in the mail.

Terms: Animals purchased must be paid for by cash, check, or secured by ACH or credit card payment on Sale Day. A convenience fee will be charged for credit

card or ACH payment. Non-US buyers must pay in US funds. A 20% surcharge will be assessed to any insufficient funds checks issued. The auctioneer's decision will be final on any dispute as to bids.

Substitute entries will be designated with a line under their paint brand and lot number on the sale order. All animals are at purchasers' risk as soon as sold.

Hauling or delivery: Standard hauling and delivery services of animals purchased in the sale can be made to most anywhere in the country. Each hauler will set their own fee with the animal purchaser.

Health Papers On Purchases: All animals consigned to the National Dorper and White Dorper Show & Sale must be accompanied by official health certificates. After the sale, buyers can obtain health papers on their purchases by coming to the sale checkout. At check-out, buyers also receive a list of purchases. Buyers then take the list to the Veterinarian to receive health papers on their purchases. It is very important that all buyers obtain health papers on their purchase.

SALE GUARANTEE: EXCEPT FOR THOSE STATED IN THE BELOW GUARANTEE, THERE ARE NO WARRANTIES, EITHER EXPRESSED OR IMPLIED AS TO THE MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SHEEP BEING SOLD IN THIS SALE.

The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or

GENERAL INFORMATION

guarantee therein provided, and all obligations or liabilities.

1. Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeders to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value and/or quality to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown after the sale date. All ewe lambs are exempt from the breeding guarantee the first year.

2. Notification of non-breeder rams must be made to the seller within six months following the sale. Notification of nonbreeder ewes over six months of age on the date of sale must be made to the seller within one year of the date of the sale. Notification of non-breeder ewe lambs under six months of age on the date of sale must be made to the seller within 18 months of the date of sale.

3. This guarantee shall constitute a contract between the buyer and the seller only, and no other parties assume any liability, legal or otherwise, expressed, or implied.

4. Neither the Sale Managers nor sponsoring organizations can or will assume any responsibility as to the authenticity of the pedigrees, bloodlines, or information provided in the sale catalog, pen cards or otherwise, and the subsequent genetic performance of any sheep purchased. All such information must be accepted at face value. Any statements or information given sale day supersedes cataloged information. Any special guarantees or claims offered by individual consignors is strictly between the consignor and the

buyer and will not be enforced by the Sale Managers or the sponsoring organization.

5. White Dorpers are guaranteed negative for dermatosparaxis. By consigning, the consignor agrees to stand behind any animal found to test positive and either replace the animal or refund the purchase price.

6. Consignors agree to be bound by these rules, and the terms and conditions of the sale. Violation will result in the right to consign being revoked for one year from the date of offense.

BUYERS GUIDE

The National Dorper and White Dorper Show and Sale is the largest Dorper and White Dorper event in the United States! Breeders come from all corners of the nation to present buyers with the highest quality seedstock. Whether you are a returning buyer or this is your first timing purchasing sheep at the sale, below are some guidelines and tips to help you have the best experience.

Before the Sale

1. The National Sale Catalog will be posted on the ADSBS website and Facebook page for you to browse through all the sheep that will be in the sale. The catalog is categorized by breed, gender, and date of birth so you can easily find animals that meet your production goals.
2. You may search a sheep's pedigree by typing in their registration number in the on line data base available at <https://bit.ly/DorperDatabase> You can find a sheep's registration number in the catalog. The pedigree search is interactive, and you can click on any sheep in the pedigree to find out more on their lineage.
3. Most breeders will post pictures and videos of their consignments to their personal or ranch social media sites or their websites. If you see a sheep you like, don't be afraid to ask the breeder questions.
4. You can also check out DV Auction as breeders have the option to upload pictures that will be displayed in their lot number on the event page.

Day of the Show

1. The Pens of Two Show will begin at 8:30 AM CST on April 19, 2024, and will be shown in the Sale Ring. Sheep will be shown loose; the judge will inspect all three ewes. The judge will place the top three pens for each breed.
2. The Single Show will begin at NOON CST on April 19, 2024, in the Show Ring. Sheep will be shown on a halter. The judge will inspect the class and place the top ten in a class.
3. The show order follows the catalog order so you will also be able to identify sheep in the ring, mark your selections, and add judge's comments.
4. If you are not able to attend the show in person, the show will be livestreamed at www.taylorfort.com/live and will also be archived on the same day so you can watch animals as many times as you like.
5. After the show concludes the sale order will be determined and posted by that evening in the barn and also online.
6. Plan to attend the 3rd Annual ADSBS Jamboree at 7:00 PM where Dorper Lamb dishes are served. At this time, you can visit with breeders and vendors.

Day of the Sale

1. Register at the Office for a bidder's card. It's a good idea to register with the exact name in which you want the sheep registered. If you are buying for your children or grandchildren please have a separate bid card for each child if you want the sheep registered under separate names. This will make check-out much quicker.
2. If you want someone who is present at the sale to bid for you, they will need a separate bidder number for you. It is not acceptable for one person to buy for multiple people unless they are going to write one check for all the sheep. *Example: a bidder cannot have buyer number 501 and tell auctioneer that 501-1 or 501-2 purchased the animal.*
3. Pens of Two Ewes are sold by the head where the final bid is multiplied by two for a total purchase price. Example: \$1,000 bid is multiplied by two ewes for a total price of \$2,000. The sale will begin at 10 AM CST.
4. All sheep must be picked up and off the fairgrounds by 8:00 AM Sunday, April 21, 2024. You need to have a hauler lined up BEFORE the sale is over. It is at buyers' expense to have sheep delivered to their ranch. ADSBS is not liable for any hauling issues.

BLACK POWDER M529 is one of the Triplets. Outstanding set of triplets! His brother M534 won National Reserve Grand Champion at Duncan last year. Black Powder won Grand Champion at the 2023 California State Fair. His brother M531 Black Jack won Reserve Grand Champion at that same State Fair. Black Powder won Reserve Grand Champion and Black Jack won Grand Champion at the Jackpot show in Davis, CA. These triplets walked into every show they've been in and ended up standing on the podium every time. This is one stout ram, full of muscle and moves out smoothly. He's very symmetrical and balanced with straight top line and lots of length. We purchased his sire Johnny P at the Riverwood dispersal sale and he won Grand Champion Ram at the California state fair a few years ago. Dam is a Hanna Dorper that has consistently produced beautiful offspring.

We call her FANCY! She lives up to her name! Tons of femininity, extremely straight long top line. She carries the right amount of muscle. This is a good one for the youth program! Excited about this one! Her sire Status Quo is the Champion ram at the Southern States show and the highest selling ram at that sale. This is his first offspring to hit a sale. She is the granddaughter to Day Money. Her dam is a Hanna ewe and has always been an excellent producer!

Very impressive yearling ewe that was campaigned successfully by

our daughter Jocelyn. We as a family stay committed to offering ELITE seedstock at the annual national show/sale. This one is no exception. She is sired by the 2021 National Champion Authentic" and dammed by a 206/2402 brood ewe. Proven pedigree on an extremely balanced female that exudes quality. Please remove cover

This long spined feminine female is from some of our most profitable genetics. They thrive in our pasture based accelerated lambing system. Our goals are 4-6 lambs weaned every 2 years from our ewes in this setup. They must be able to twin and rebreed while nursing lambs in order to do this or be culled.

We've brought our best from our group of fall ram lambs. Boy is this a good one! Don't miss this guy! His long straight top line with good hip structure and is excellent fronted. Strong masculine head. Champion ram at the California State Fair. Sire is Ash M530 son of White Halter. Ash was Grand Champion at the 2023 California State Fair and also at the Jackpot show in Davis California. His Dam is East Star Crown the famous Crown family line and has produced many champions.

Reserve Champion ram at State Fair Jr show. I really thought he was going to hang more banners with how cool this ram is. Great rib, screams athleticism as most Grand Slams do.

Power Wagon ram here. Placed well everywhere he showed. Super wide, with a really neat front on him. Very unique in his design. This is one to see at the pen firsthand.

Another athletic Grand Slam, this one a ewe lamb. Stylish female, could still be a show prospect. She is offered simply because we have a twin sister and older full sister.
