Book Your Ad Today! **American** **2025-2026** **DORPER** *Journal* Ninth Edition

ADSBS will publish the 9th edition of our biennial yearbook, **The American Dorper Journal**, this Winter. This popular publication is distributed at every public event where we erect the ADSBS promotional display, as well as other places. In addition, the ADSBS Office mails a copy to anyone who inquires about our breeds, and to new members.

Promote your flock with an ad in the **American Dorper Journal**, with its targeted audience and distribution of 4,500 copies over two years! Start preparing your ad copy, reserve your ad space by **October 15, 2024** and your finished ad and payment must be received by December 1, 2024. We also encourage you to contact commercial suppliers you do business with, and ask them to advertise as well. The 9th edition of the **American Dorper Journal** will be unveiled at the 2025 Fort Worth Stock Show, in January.

Advertisers that purchase a full page ad or larger may submit a "Breeder Spotlight" with photos. There are also other opportunities to highlight Dorper and White Dorper sheep through member submissions of articles, stories and testimonials of the breeds successes in the U.S. sheep and lamb industry. Members are also invited to submit high quality digital photos that highlight the adaptability of Dorpers and White Dorpers in their operations. ADSBS reserves the right to select for editorial content. All submissions can be emailed to **Karla** at karla@dorpersheep.org or **Ronda** at office@dorpersheep.org.

What is the Futurity Ewe Program?

ADSBS members pay a fee to nominate ewe lambs that are sold through public auction. When a Junior Member purchases a nominated ewe lamb from a public auction, they can earn points from any show where they exhibit the ewe. Points are submitted after a show to the ADSBS National Office. All the nomination fees are pooled together and paid out to participants based on their regional and national standings from points earned through showing the ewe lamb from April 2023 to March 2024. A Junior Member may have an unlimited number of nominated ewe lambs but may only earn awards on the top two. Full program details and rules can be found at dorpersheep.org/futurity-program/

The warranties and guarantees set forth in the below guarantee are in lieu of all other warranties, either expressed or implied, and the remedies provided therein shall be the sole and exclusive remedy of the buyer, or any party claiming through the buyer, for any breach of warranty or guarantee therein provided, and all obligations or liabilities.

GENERAL INFORMATION

1. Every ram and ewe sold will be guaranteed as a breeder if properly handled. It shall be the responsibility of the buyer to return the non-breeders to the seller in acceptable breeding condition. The seller, after a fair trial and the animal is found to be a non-breeder, shall have the privilege of replacing the ram or ewe with one of equal value and/or quality to the satisfaction of the seller, or refunding the purchase price. This guarantee shall not apply the first year to any sheep that are shown after the sale date. All ewe lambs are exempt from the breeding guarantee the first year.

2. Notification of non-breeder rams must be made to the seller within six months following the sale. Notification of nonbreeder ewes over six months of age on the date of sale must be made to the seller within one year of the date of the sale. BUYERS GUIDE

The Southern State Dorper Show and Sale is the largest Dorper and White Dorper event in the Southeast! Breeders come from all corners of the region to present buyers with the highest quality seedstock. Whether you are a returning buyer or this is your first timing purchasing sheep at the sale, below are some guidelines and tips to help you have the best experience.

Before the Sale

1. The Southern States Dorper Sale Catalog will be posted on the ADSBS website and Facebook page for you to browse through all the sheep that will be in the sale. The catalog is categorized by breed and date of birth so you can easily find animals that meet your production goals.
2. You may search a sheep's pedigree by typing in their registration number in the online database available at <https://bit.ly/DorperDatabase> and you can find a sheep's registration number in the catalog. The pedigree search is interactive, and you can click on any sheep in the pedigree to find out more on their lineage.
3. Most breeders will post pictures and videos of their consignments to their personal or ranch social media sites or websites. If you see a sheep you like, feel free to reach out and ask the breeder any questions you may have. The more information you can gather will increase your confidence as a buyer.
4. You can also check out the Southern States Dorper Sale event page on TopLivestock.com where many breeders upload pictures that will be displayed in their lot number on the event page.

Day of the Show

1. The single lots will be exhibited first and will begin at 2:00 PM CST on June 28, 2024, in the Show Ring. Sheep will be shown on a halter and presented on the move and in a set up positions. The judge will inspect the class and place the top five in the class. The judge will give reasons over the loudspeaker on why they placed that class they way that they did. Any sheep that has a cull fault is disqualified and will not sell in the sale.
2. The Pens of Two Ewes will be evaluated immediately follow the singles. Ewes will be shown loose, and the judge will inspect all the ewes in the pen. The judge will place the top five pens for each breed. If there is a ewe that has a cull fault, only that ewe is disqualified and will not sell as part of the pen.
3. If you are not able to attend the show in person, the show will be livestreamed at youtube.com (search @DorperRevolution) and will also be archived on the same day so you can rewatch as many times as you like.
4. After the show concludes the sale order will be determined and posted by that evening in the barn and on-line.

Day of the Sale

1. Register at the Clerk's Office for a bid card. It's a good idea to register with the exact name in which you want the sheep registered. If you are buying for your children or grandchildren, please have a separate bid card for each child if you want the sheep registered under separate names. This will make check-out much quicker.
2. If you want someone who is present at the sale to bid for you, you will need them get a separate bidder number for you. It is not acceptable for one person to buy for multiple people unless they are going to write one check for all the sheep. Example: a bidder cannot have buyer number 501 and tell auctioneer that 501-1 or 501-2 or 501-3 purchased the animal.
3. Pens of Ewes are sold by the head where the final bid is multiplied by how many are being sold in the pen for a total purchase price. Example: a Pen of Two Ewes, with a final bid of \$1,000, is multiplied by two (2) for a total purchase price of \$2000
4. The Southern States Dorper Sale will begin at 10 AM CST.
5. All sheep must be picked up and off the show grounds by 8 AM Sunday, June 30, 2024. You need to have a hauler lined up BEFORE the sale is over. It is at buyers' expense to have sheep delivered to their ranch. ADSBS is not liable for any hauling issues.

Online

1. The Southern States Dorper Sale will have an online option to watch the sale and bid through Top Livestock. If this is your first time bidding on line, you will need to visit www.toplivestock.com to set up account before the day of the sale. Note: Top Livestock will ask you for your credit card or banking information. This only to prove that you are a qualified bidder. Top Livestock does not share that information with ADSBS, or the independent clerking company contracted for the sale.
2. It's a good idea to familiarize yourself with the bidding process.
3. Make sure you have an internet connection that is solid and fast! You don't want to miss out on a sheep or bid on the wrong sheep because your internet was buffering.
4. After you purchase an animal, you will be contacted by a staff member of either ADSBS or the clerking company for your payment and hauler information. They will be calling the number you provided to DV Auction so make sure it is a phone that you are able to answer. Payment will be finalized at the completion of the sale and all sheep must be paid before they leave the barn. Note: You may want to notify your credit card company or banking institution that you will be making purchases for animals to avoid the possibility of your transaction being declined.

We purchased the 2022 National Champion Ram, Ron Jovi, to do this exact thing. To take the length and femininity that our Well Rope daughters have and add a bit of depth and muscle. 3360 is the result and she is what we expected. She was typed a 5 last month by Le Roux Van Wyk, and will help make this pen one to buy.
