You will then be prompted to Create a batch, Click on “ADD” “Registration Form”

The remaining steps are a matter of detail, simply click of the sex and color type of the animal. The system automatically defaults to EWES and DORPERS.

Enter your flock number only. Each breeder has a flock name, you only want to enter the animals number, Permanent ID, DOB, Type of Birth and only the Registration Numbers of the Sire and Dam. Once done, simply hit “GO”. If you make an error, the system will make you aware of it immediately and you will be able to correct it.

Once, completed with all the animals you intend to register, simply go to the “View Batch Summary” and you will have an opportunity to view and or edit any registrations in your batch before final submission. Once you are satisfied with your submissions you will be prompted to pay for the registrations. Currently all payments must be processed thru PayPal. This is a very secure way to pay for transactions without sharing your personal information with vendors.

CORRECTLY SUBMITTED APPLICATIONS WILL BE PROCESSED AND PRINTED, AND MAILED TO YOU FROM THE ADSBS Registry Office within a few days. At the present time the system can only process new registration applications where you own both the sire and dam. Other work must be mailed in. We will continue to upgrade so that eventually the system will process transfers.
