

Burrawang Dorper and White Dorper Stud would like to invite you to attend a Dorper School in Australia.

March 20th to 24th 2019

Burrawang West station is located in the heart of NSW near a town called Condobolin.

There is accommodation at the Famous Burrawang retreat, which is now owned and operated independently by the Stenning Family.

Fly to Sydney and enjoy the sites for a few days then fly from Sydney to Parkes airport on Rex Airlines. We will pick you up and drive the 45 mins to Burrawang West Station.

Burrawang Dorper Stud established in 2005 has been at the forefront of educating Stud Breeders, commercial farmers and Judges about the Dorper Breed since 2009.

We have held over 30 classes over the years.

We have 2700 stud ewes and are able to put on schools that really give students the chance to practice getting in their eye. Students will practice classing over 700 rams and 700 ewes from both White Dorper and Dorper. Burrawang is Australia's Largest and most successful supplier of Rams to the local Australian market; the Australian flock is the largest commercial population of Dorper sheep in the world.

The course is supervised by Wicus Cronje a South African Society international Inspector and run according to the South African/International Breed Standards and accreditation. A judge's exam can be run based on Demand.

The Stud has two major sheep facilities so we can run under cover courses for Junior and Senior courses at the same time.
